# Silkie Velvet

A multi-purpose, inherent FR velvet with recycled content

## Silkie Velvet

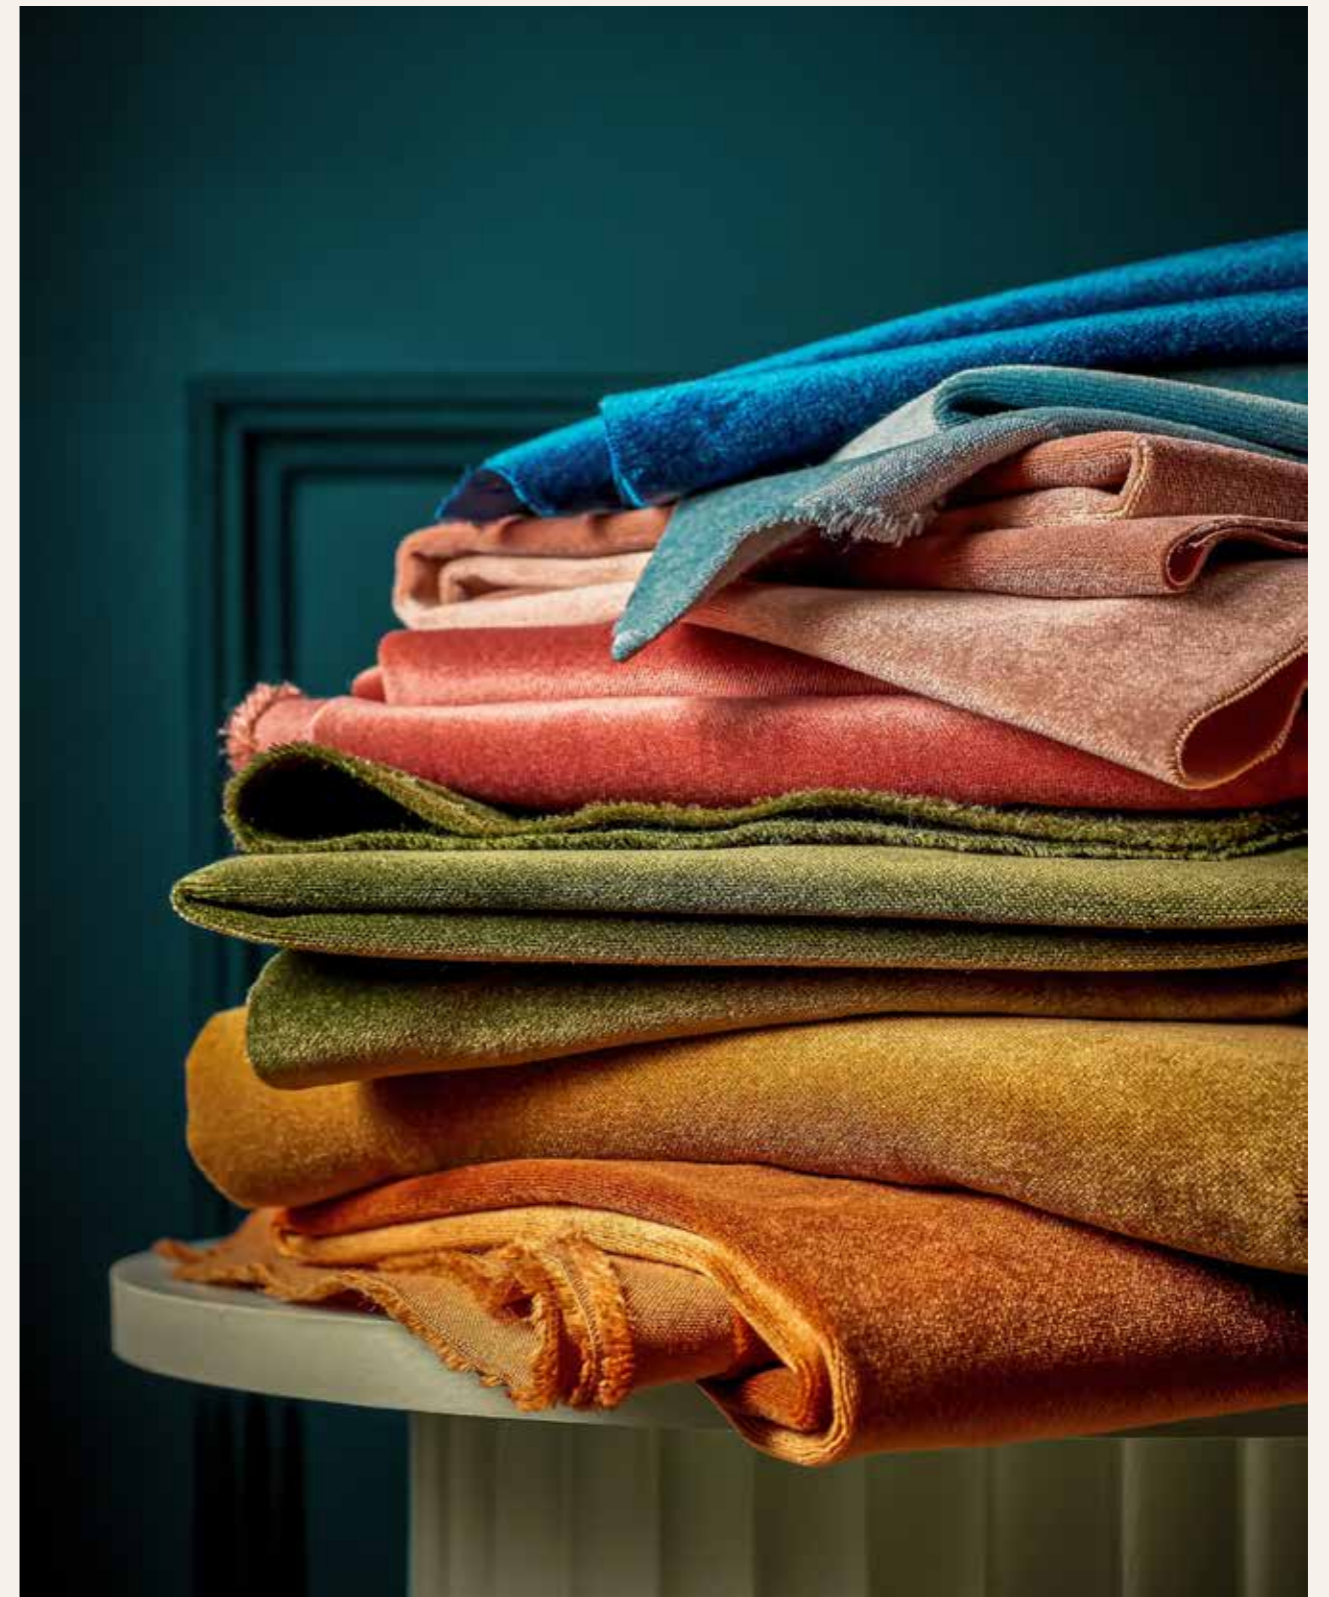

Silkie, our first-ever recycled velvet collection, seamlessly blends lasting luxury and high performance. Crafted from post-consumer recycled bottles, Silkie redefines sustainable opulence. Its 20 exquisite shades each draw inspiration from the rich, jewel-like hues of the Middle East, spanning from warm, spicy hues to serene, earthy neutrals that balance vibrancy and sophistication.

Its smooth, silk-like texture, subtle sheen and lustrous pile infuse any space with depth and richness. Beyond its beauty, this stunning upholstery excels in durability, boasting an exceptional Martindale of 90,000 rubs while meeting rigorous performance standards, including IMO 7, 8, and 9, and M1 France. Silkie is also Red List compliant, REACH compliant and halogen free, providing both style and sustainability in one versatile fabric.
